

Michael Sutherland

In the bump and grind era of popular music, Michael Sutherland is a throwback to the glitz and glamour of "Old Las Vegas".

Michael Sutherland is pure entertainment, bringing his affordable one man musical styling to your event. Whether it's a black tie formal event at Donald Trump's Mar-A-Lago in Palm Beach, a concert venue, a large political or charitable fundraising event, your daughter's wedding reception, or a sold out New Year's Eve Party at Columbus Ohio's famous La Scala Italian restaurant; Michael Sutherland and his show "Sinatra and Friends"; is the obvious choice.

His interpretive and sophisticated performances of the music of Frank Sinatra along with Dean Martin, Tony Bennett, Bobby Darin, Nat King Cole and other great musical icons sets him far apart from the average.

Each venue and event is coordinated and planned to entertain you and your guests, bringing you compliments on your selection of Michael as the entertainment. Michael's polished radio and television voice-over skills make him a warm and wonderful MC as well. Listen by selecting one of Michael's voiceover demos from the links on his website.

With a repertoire of over 250 songs, Michael's show Sinatra and Friends can be customized to your particular venue; whether the show calls for great love ballads like "All the Way" or "Put Your Dreams Away For Another Day", introspective torch songs like the incomparable "One For My Baby (and one more for the road)" or "In the Wee Small Hours of the Morning", great jazz standards like "Time After Time" or "It Had to be You", powerful anthems like "My Way" and "It Was a Very Good Year". Enjoy the fun and hilarious "standing on the bar" sing-a-longs of Dean Martin's "That's Amore", and "Ain't That a Kick in the Head", and of course the chorus line kicking of "New York, New York", proving that the tuxedo clad Michael Sutherland knows how to work a room!

The singer doesn't consider himself an impersonator. Instead of seeking to duplicate Sinatra, he evokes the attitude and image. Michael's philosophy is that "if you're going to sing Frank, you had better treat him and his songs with respect; and do it correctly!" Repeat bookings attest to his popularity. There is only one Michael Sutherland. We are proud to introduce Michael's new 7 piece Swing Band "Guardians of Swing"
