

Voice Overs

Michael Sutherland is a freelance voiceover artist with over 20 years of experience. His broadcast career started in 1980 working at local radio stations, moving his way up the ladder to larger markets. He has worked all formats in radio with the only exception being News-Talk. He has been both an on air personality and production director at numerous stations.

He has been strictly a freelance voiceover professional since 1988, having a resume of over 25,000 commercials, promos, narrations etc. Thus you will find in him a very seasoned professional.

The following is a small list of past and present clients.• Mc Donalds • ATT• The US State Department• Battelle Institute• RJR/Nabisco• Ashland Oil• Honda Of America• Sofa Express• State of Ohio• Goodyear Tires• Columbus Blue Jackets• Wendys International• The Diamond Cellar• Hatfield AutoMall Over the years he has had hundreds of retail clients ranging from department stores, grocery chains, furniture chains, auto manufactures and dealerships, fast food restaurants etc. Also professional sports teams, political candidates , law firms, universities, and hundreds of corporate training film narrations, as well as interactive narrations. Michael has his own digital home studio-Protools- with ISDN capabilities in the near future. He is a 19 year member of Aftra, and in the Midwest is represented by Heyman Talent.
